POSITION VACANCY

TITLE: Active Routes to School Project Coordinator

NC Alliance of Public Health Agencies Staffing Position

ORGANIZATION: The Robeson County Health Department serves as the lead agency for Region 8. Region 8 consists of Robeson, Bladen, Columbus, Brunswick, New Hanover, Pender, Sampson, Duplin and Onslow. This position is responsible for supporting activities in all counties. This program is supported by a partnership between the NC Department of Transportation and NC Division of Public Health and works under the parameters of the Community and Clinical Connections for Prevention and Health Branch of DPH.

DUTIES: The Coordinator works on making it easier for elementary and middle school students to safely walk and bike to school. This person works with partners in their specific communities to increase: awareness events in conjunction with Safe Routes to School; the number of on-going programs that encourage walking and biking to or at school; the number of trainings on how to implement Safe Routes to School-related activities; the number of policies that support walking and biking to or at school; and, the number of safety features near schools. Additionally, the Coordinator will work within communities to identify opportunities for shared use of facilities and Complete Streets to improve access to physical activity.

MINIMUM EDUCATION AND EXPERIENCE REQUIREMENTS: A master’s degree in public or human services administration or a human services programmatic fields preferably with course work in human services planning and one year of experience in human service program planning or administration; or graduation from a four-year college or university and three years of administrative or consultative experience in a human service program; or an equivalent combination of education and experience.
