POSITION VACANCY

TITLE: PHN II (Healthy Start RN)

DUTIES: This is a grant funded position that assists clients in assessment of their own lifestyle, medical condition, and nutritional status that contribute to the physical and emotional health and general wellness during the period after pregnancy and before another pregnancy occurs. This position is responsible for provision of nutritional and health assessment, education, counseling and referral to specialized consultation regarding health status. The Healthy Start RN will work closely with a team consisting of two social workers and a community health outreach worker to provide direct services, coordinate, develop, plan, implement and assist with the evaluation of services provided.

MINIMUM EDUCATION AND EXPERIENCE REQUIREMENTS: Graduation from a four-year college or university with a B.S. Degree in Nursing which includes a Public Health Nursing rotation and one year of Public Health Nursing experience; or graduation from an accredited school of professional nursing and two years of professional nursing experience, one of which must have been in public health; or an equivalent combination of education and experience.

SALARY: \$44,348

APPLICATION PROCESS: Qualified applicants should complete a State Application (PD107) and submit to:
